

Attention Families!

Ready for a new summer experience?

Our camp is bringing over a volunteer from Israel known as a *Shaliach* (emissary). This young and talented individual will be here for the summer as part of our camp community, working with our staff to bring Israel a little closer to us all.

Our Shaliach will work hard all day long to bring Israel and Judaism to the camp environment, but who will make them feel at home in our community?

You can help!

We are seeking warm, welcoming families to house our *Shaliach* and to be his/her home away from home this summer. Please consider opening your house to an Israeli guest for a short time (2-3 weeks). We will be welcoming 1-2 Israelis around 21 years of age.

This can be a fun experience for you and your family - just think, another smiling face around your dinner table, hearing stories about life in Israel, teaching your children new songs and games and showing you how to prepare new delicious Israeli dishes.

Imagine...exploring your differences, discovering surprising similarities, and teaching your children about Jewish values through first hand experiences. **Imagine**...seeing your own community through the eyes of an Israeli citizen and rediscovering the simple things that we often take for granted.

If you are interested in housing a *Shaliach* this summer, please e-mail Randy Topper at Rtopper@sjcc.com

We sincerely thank you for helping us make the Summer Shlichim Program a success in our community!
